SINGLE CASK

Our Master Distiller Alex Chasko is renowned for his innovative cask selection when it comes to Irish Whiskey, creating expressions of true character. This single cask was hand selected by our good friends at Les Domaines Qui Montent. Originally distilled in 2016, this quintessentially Irish Single Pot Still is crafted using 50% malted and 50% un-malted barley. The whiskey has spent its entire time maturing in an American Virgin Oak cask before being decanted from cask number 35341. Limited to just 300 bottles, non-chill filtered and bottled at 59.8%, this is truly an Irish Whiskey to savour.
